

UUJME Chapter 2026 Annual Report

UUJME is now a chapter of the national UUJME organization. We plan to discuss upcoming programming with the UUCFW Board for its approval based on the UUA's 2024 Action of Immediate Witness on Palestine. We're using the UUJME's Three-Tiered Resource beginning with Tier One, Starting the Conversation, to begin a congregational discussion about adopting an apartheid free pledge.
